

Cape Fear Center for Inquiry Partnership Teacher Stipend Information

Every Fall and Spring, the CFCI Partnership allocates funds to each teacher to be used for classroom needs. The Partnership works with the teachers to use these funds to enhance curriculum throughout the classroom through the purchase of materials and/or resources that directly impact students. Each individual classroom receives \$125 both in the Fall and the Spring for a yearly total of \$250!

To apply for your teacher stipend, please submit the Teacher Reimbursement Form with the following information: description of the project or item(s), the amount, and all necessary receipts.

All stipend reimbursements are to be submitted via email at partnership@cfc.net or by placing the forms and receipts in the Partnership Mailbox. Fall requests for 2020 must be submitted by November 30, 2020. The spring stipend period will be announced in February. Due to current practices for social distancing and limited access in the building, the response time may be a little longer than in the past. Please allow 10-14 days for your stipend request to be processed.

We are always excited to hear your ideas and look forward to working with you this year! If you have any questions or comments, please contact us via email at partnership@cfc.net.

Thank you!!
